ABOUT OUR DENTAL IMPLANT TRAINING COURSES IN 2025

www.simplyimplantsinstitute.com

INTRODUCTORY COURSE: BASICS

A 2-day foundational program designed to introduce dentists to implant placement and surgical techniques. This course provides the perfect starting point for dental professionals eager to expand their skills in implantology and full-mouth restoration. Gain confidence through didactic training and hands-on surgical experience, placing 6-8 implants on live patients. This course serves as the first half of Core 1, making it an ideal entry point for those considering advanced training.

- ✓ **DURATION: 2 DAYS**
- ✓ **CE CREDITS: 18 HOURS**
- ✓ **IMPLANTS PLACED: 6-8**
- ✓ **DIDACTIC SESSIONS & HANDS ON SURGICAL EXPERIENCE**

REGISTER:
888-660-2720

LOCATION:
GLENDALE, AZ

CORE 1: FOUNDATIONS OF IMPLANT PLACEMENT

Core 1 is designed for beginner dentists looking to gain confidence in implant placement. This course covers fundamental principles, treatment planning, and hands-on surgical training to help you place your first implants with precision. Ideal for new graduates or dentists with minimal implant experience, this course provides a solid foundation for integrating implants into your practice.

- ✓ **DURATION: 4 DAYS**
- ✓ **CE CREDITS: 36 HOURS**
- ✓ **IMPLANTS PLACED: 15+**
- ✓ **DIDACTIC SESSIONS & HANDS ON SURGICAL EXPERIENCE**

REGISTER:
888-660-2720

LOCATION:
GLENDALE, AZ

CORE 2: SPEED & PRECISION IN IMPLANT SURGERY

Core 2 is for dentists who have placed 50-100 implants and want to improve their efficiency, precision, and immediate loading skills. This course refines your surgical technique, ensuring you achieve high initial stability for predictable outcomes. Perfect for those who want to increase confidence and speed in their implant procedures.

- ✓ **DURATION: 2 DAYS**
- ✓ **CE CREDITS: 18 HOURS**
- ✓ **IMPLANTS PLACED: 15+**
- ✓ **DIDACTIC SESSIONS & HANDS ON SURGICAL EXPERIENCE**

REGISTER:
888-660-2720

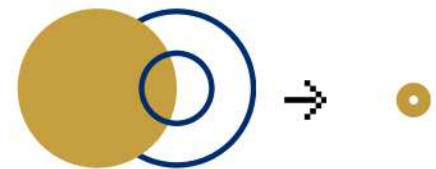

LOCATION:
GLENDALE, AZ

CORE 3: FULL-ARCH & FULL-MOUTH IMPLANT MASTERY

Core 3 focuses on complex full-arch and full-mouth cases, teaching dentists how to extract and place anterior implants, achieve proper torque for stability, and perform immediate temporization. Ideal for clinicians looking to transition into larger, more advanced cases and gain confidence in full-mouth rehabilitation.

- ✓ **DURATION: 2 DAYS**
- ✓ **CE CREDITS: 18 HOURS**
- ✓ **IMPLANTS PLACED: 15+**
- ✓ **DIDACTIC SESSIONS & HANDS ON SURGICAL EXPERIENCE**

888-660-2720

LOCATION:
GLENDALE, AZ

CORE 4: FP1–FP3 BRIDGES & HYBRIDS

We're excited to officially release Core 4: FP1–FP3 Bridges and Hybrids, a first-of-its-kind course designed for dentists who already perform hybrids—but are now seeking complete mastery in prosthetics, materials, and digital workflows.

What makes **Core 4** different?

- Learn all prosthetic designs and materials—based on 23+ years of clinical experience.
 - Understand the difference between digital vs. analog, and when each is appropriate.
 - Dive into material costs, lab considerations, design strategy, and long-term success planning.
- FP1 is rising in popularity, and many patients are now turning down hybrids. This course gives you the edge to present and execute the right prosthetic choice for every case.

Course Structure (Due to High Demand):

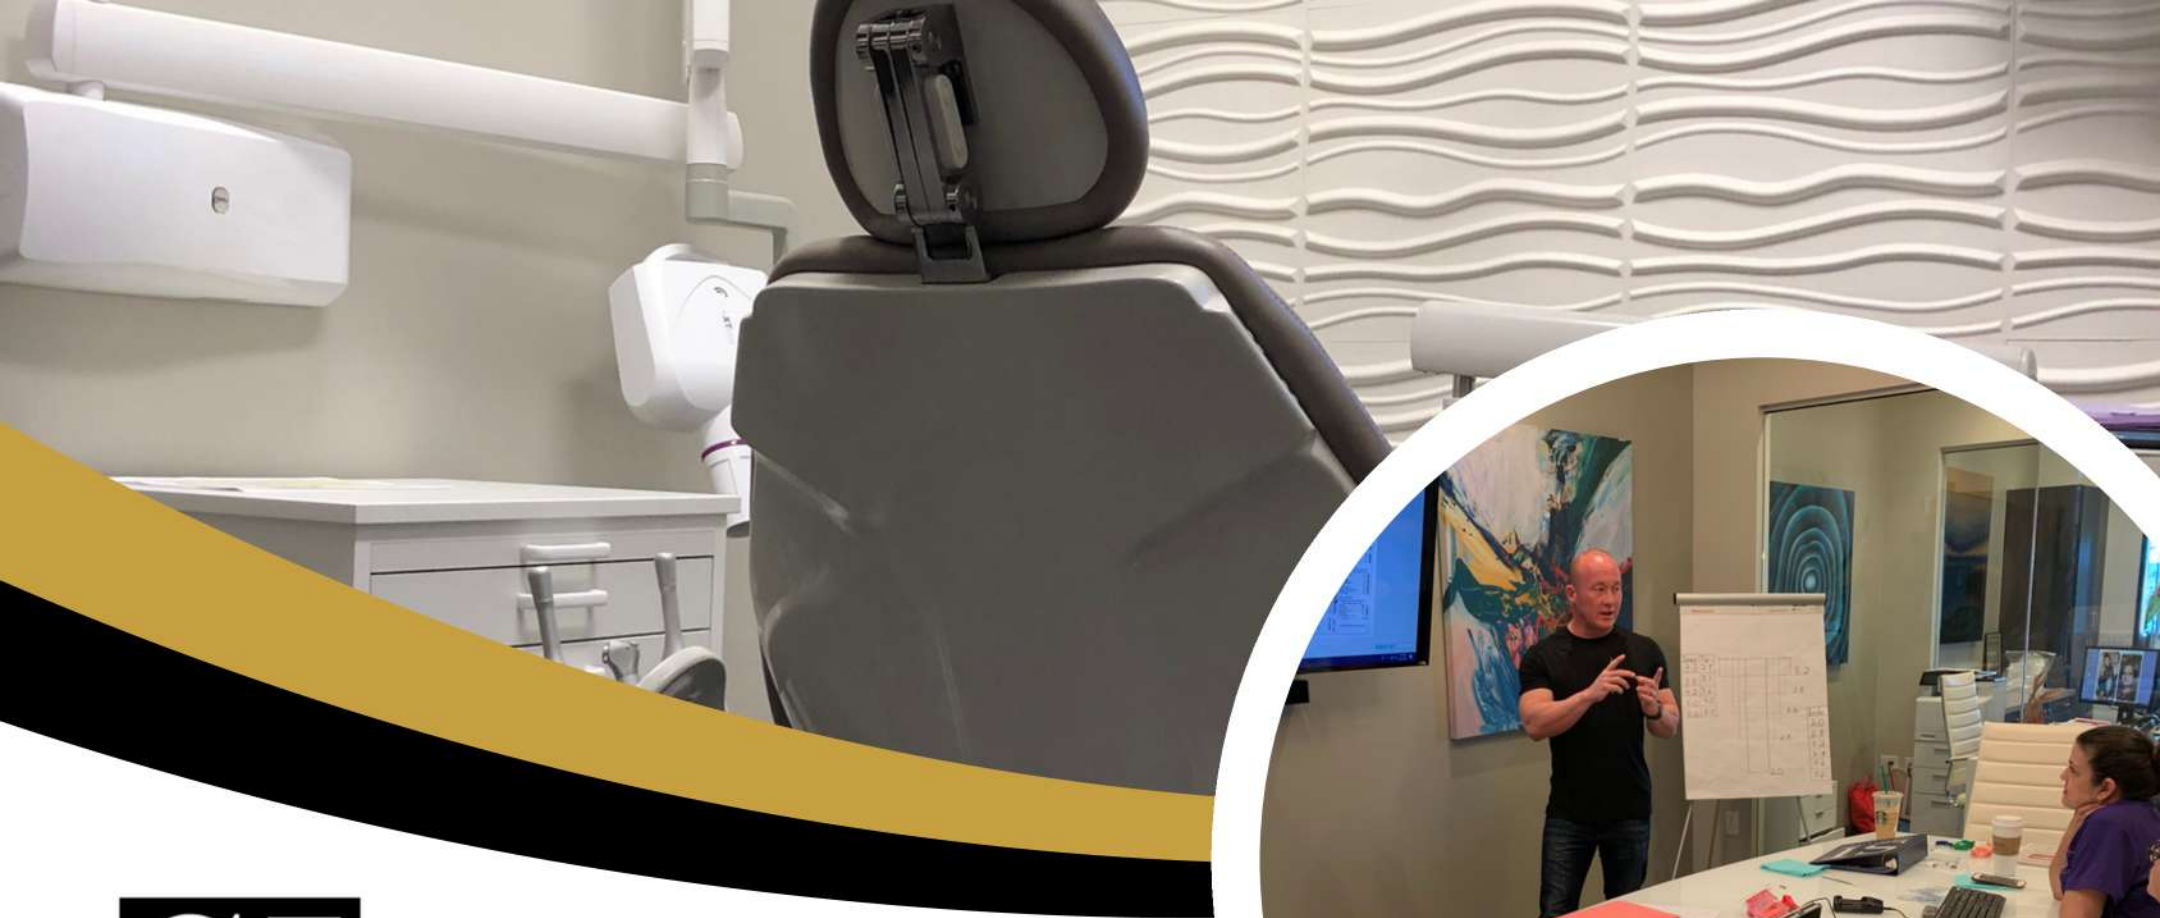

Days 1 & 2: Lecture + Technique Deep Dive (Larger Availability)

Days 3 & 4: Live Surgery – Limited to 6 Students

(Bring your team for the ultimate clinical experience!)

- ✓ SI Students by Approval Only
- ✓ Advanced clinicians welcome

This isn't just another implant course—**this is the prosthetic knowledge** every advanced implantologist needs.

CORE 5: FINAL PERFORMANCE & FULL ARCH EFFICIENCY

Core 5 is the ultimate mastery course for general dentists that have skill, and specialists that bring their GP, focusing on full-arch efficiency, case coordination, and treatment planning. Attendees perform live patient surgeries under expert mentorship while learning to streamline workflow with their office team. General dentists may attend with faculty approval after completing Level 1.

- ✓ **DURATION: 3 DAYS**
- ✓ **CE CREDITS: 27 HOURS**
- ✓ **IMPLANTS PLACED: 15+**
- ✓ **DIDACTIC SESSIONS & HANDS ON SURGICAL EXPERIENCE**
